

BIRDS IN NORTHUMBRIA: QUICK REFERENCE TABLE OF ARTICLES INCLUDED AS BACK PAPERS [Created by Steve Holliday - updated 14.3.24]

The **aim** here is to provide a quick and easy reference source for anyone researching specific topics or species. The following table includes references for articles published within the annual county bird report 'Birds in Northumbria' which commenced from 1970. Back copies of county bird reports can be obtained from either Trevor Blake NTBC (trevor.1958 AT live.co.uk) most years from 2002 onwards or Steve Holliday (stevholliday AT hotmail.co.uk) for any historical reports. NB this table excludes regularly occurring articles such as Ringing Recoveries, WeBS reports, First and Last Dates, County Records Committee reports and so on.

Year of report	Total pages	Page numbers	Title of article	Author/s
2022	268	245-252	First confirmed breeding of honey-buzzard in Northumberland since 1841	Anon, Northumbria Ringing Group
		253-256	8 th May – A North Tyneside 'Big Day'	Jack Bucknall
2021	300	12-13	Bufflehead at Cresswell Pond – First for Northumberland	Andy McLevy
		14-16	Pacific Swift at East Chevington – First for Northumberland	Ian Fisher
		17-19	Northern Mockingbird at Newbiggin – First for Northumberland	Ian Fisher
		253-269	Reed and Sedge Warblers at East Chevington, 2004-2020	Ian Fisher
		270-281	Clangers in space and time – Goldeneye in Northumberland and their travels	Phil Hanmer
		282-283	Two female Barn Owls sharing a nest box	Ian Kerr
		283-284	Birds in Northumbria 2021 – A trip down memory lane	Ian Kerr
		285-289	Birdwatching Sites XXII – Berwick and the Tweed Basin	Malcolm Hutcheson
2020	288	12-13	Giant Petrel sp. off Cullernose Point – First for Northumberland	Mark Eaton & Stewart Sexton
		14-17	Asian Desert Warbler on Holy Island – First for Northumberland	Richard Drew & Mike Carr
		18-20	Two-barred Greenish Warbler at Budle Point – First for Northumberland	Ross Ahmed & Chris Knox
		21-24	Brown Shrike on Holy Island – First for Northumberland	Andy Mould
		25-27	Buff-bellied Pipit at Amble – First for Northumberland	Clive Saunders
		265-269	Upland Breeding of Marsh Harriers at Northumberland in 2020	Mike Henry
		270-273	Birdwatching Sites XXI – Newcastle City Centre	Graeme Bowman
		274-276	Wild Swan Census in Northumberland 2020 and Summary Overview of Previous Surveys	Steve T. Holliday
		277	An unprecedented movement of Siskins at Tynemouth	Tom Tams

2019	288	12-15	'American Black Tern' at St Mary's Wetland – First for Northumberland	Alan Curry
		16-21	Eastern Yellow Wagtail at Prestwick Carr – First for Northumberland	Paul Cassells and Mike Carr
		22-23	Pechora Pipit on Brownsman (Farne Islands) – First for Northumberland	Stefan McElwee
		259-270	Mediterranean Gulls in Northumberland	Steve T Holliday, David Kinchin-Smith, Paul Morrison and Chris Redfern
		271-274	Birdwatching Sites XXI – Castle Island	Philip J. Allott
		275-276	Baillon's Crake at Monks House Pool – First county record since 1942	Richard Kelly
2018	284	255-260	The history and status of the White-billed Diver in Northumberland	Tariq Farooqi
		261-267	Howick Ringing Station – The evolution of a place to appreciate and study birds	Phil Hanmer
		268-269	Rockcliffe Rovers – the May 2018 bird race	Adrian Pitches
		271	The Gambia: A NTBC Development Fund Grant	Graeme Bowman
2017	268	12-15	Pacific Diver in Druridge Bay – First for Northumberland	Alan Curry
		236-243	Hen Harriers at a Historical roost in Northumberland	Mike Henry
		244-247	The colonisation of Ring-necked Parakeets in Newcastle upon Tyne and Northumberland	Phil J. Allott
		248-249	Barn Owl – An update on an out of control hobby: the 2017 season	Phil Hanmer
		250-252	Tawny Owl and Barn Owl pellet analysis at Haughton Strother GP	Mike Richardson
2016	256	9-11	Siberian Accentor on Holy Island – First for Northumberland	Peter Munro
		12-13	Eyebrowed Thrush at Bolam Lake – First for Northumberland	Ross Moore
		228-238	Barn Owls – An out of control hobby	Phil Hanmer
		239-242	Holy Island's Incredible Autumn	Ian Kerr
2015	240	9-11	Pallid Harrier at the Coquet Estuary: First County Record	Mike Henry
		217-223	Yellow-browed Warbler – A record year in the county	Andy Mould
		224-228	Birdwatching Sites XIX – Alnmouth - An insider's view	Tom and Muriel Cadwallender
		229-232	Birdwatching Sites XX – Backworth Pond & Area	Chris Knox
2014	240	7-9	Black-winged Pratincole at Hauxley Nature Reserve and Holywell Pond: First county record	Alan Curry
		10	Collared Pratincole at Castle Island	David Dack
		11-13	Caspian Gull at Amble Harbour in 2013-14: Second record for Northumberland	Ian Fisher
		14-16	Red-eyed Vireo at Low Newton: Second county record	Gary Woodburn

		17-19	Eastern Bonelli's Warbler at Newbiggin: Second county record	Alan Tilmouth
		202-204	Swallows in a natural nest site – a first for Northumberland	Ian Kerr
		205-207	Record year for breeding Barn Owls in 2014	Ian Kerr
2013	240	200-202	Collared Flycatcher at Low Newton, first for Northumberland	Gary Woodburn
		203-205	Cattle Egret on Holy Island: second county Record	Ian Kerr
		206-208	Summary of Kittiwake breeding data on the River Tyne, North East England 2010-2013	Daniel M. Turner
2012	240	196-199	Stilt Sandpiper at Low Newton, first for Northumberland	Gary Woodburn
		200-203	White's Thrush on the Farne Islands: second record for Northumberland	Will Scott, Andy Denton, Graeme Duncan and Bex Outram
		204-208	Birdwatching Sites XVIII – West Hartford	Phil Allott
2011	240	191-193	Black Scoter at Stag Rocks: first for Northumberland	Gareth Bradbury
		194-196	Sandhill Crane at Newbiggin: first for Northumberland	Eric Barnes
		197-199	Greater Yellowlegs at Chevington Pools: first for Northumberland	A. D. McLevy
		200-204	Eastern Black Redstart on Holy Island: first for Northumberland	Andy Mould
		205-207	The Short-eared Owl Influx at Prestwick Carr in 2011	Peter Fletcher
		208	Birdwatching Sites XVII – Cullercoats Bay	Mike Natrass
		209	Berwick Wildlife Group: Breeding Gull Survey 2011	Malcolm Hutcheson
2010	240	213-214	Melodious Warbler on The Farne Islands, first for Northumberland	Jason Moss
		215-217	Sykes's Warbler at Hadston Carrs, first for Northumberland	Martin Kerby
		218-219	The Rise and Rise of the Little Egret	Ian Kerr
		220-224	Birding Sites XVI – Whittle Dene Reservoirs	Mike Richardson
2009	235	201-202	Brown-headed Cowbird at Belford, first record for Northumberland	Graham Bell
		203-204	The first breeding Ospreys in Northumberland	Martin Davison
		205-206	Marsh Harrier breeding in Northumberland, the first record since ca.1880	Ian Fisher
		207-208	Mediterranean Gulls breeding on Coquet Island, a first breeding record for Northumberland	Paul Morrison and Mike Richardson
		209-214	Cramlington Warblers in 2009	Steve Holliday, Lindsay McDougall and Dee McKeown
		215-219	Birding Sites XV – Prestwick Carr	Peter Fletcher

2008	279	262-265	Hooded Merganser at Woodhorn Flashes – new to Northumberland	Stef McElwee and Jimmy Steele
		265-266	Great Snipe on Holy Island	Graeme Bowman
		267-269	NTBC 50 th Anniversary Conference	John Day
2007	293	255-257	Birding in the 1950s and the formation of the Northumberland & Tyneside Bird Club	David H. Howey
		258-272	The first fifty years: a short history of the Northumberland & Tyneside Bird Club	John C. Day
		273-275	Caspian Gull – the first record for Northumberland	Paul R. Massey
		275-276	Caspian Tern at Big Waters – the second record for Northumberland	John C. Day & Alan J. Johnston
		276-277	White-throated Sparrow: first record for the Farne Islands and Northumberland	Richard Mason and David Steel
		277-281	The Red Kite – back as a breeding bird Northumberland after more than half a century	Ken Sanderson and Keith Bowey
		281-283	The incredible journeys of the Bar-tailed Godwit	Ian Kerr
2006	277	241-243	Herring Gull juveniles, Tyne estuary, July to September during 2000-2006	Daniel M. Turner
		244-248	2006 – year of the Bonxie: at the Long Nanny NNR	Michelle Wood
		249-250	Eleonora's Falcon at Ridlees Cairn (MOD Training Area) – a new bird for Northumberland	Bryan Galloway
		251-254	Roller on Holy Island, first county record since 1958	Andy Mould
		254-255	Black-throated Thrush at Riding Mill: the second record for Northumberland	Ian Fisher
		255-257	Geoffrey Watson and his 'Sparrow dust' marksmen of Holy Island	Ian Kerr
		257-268	The Red Kite – a review of its status in Northumberland	Keith Bowey
2005	258	213-214	Franklin's Gull: Woodhorn Flashes, 2 nd -3 rd April 2005, a first record for Northumberland	Jimmy Steele
		215-216	Chimney Swift: new to Northumberland	Michael Frankis
		216-217	Nightjar Survey 2004	Tom and Muriel Cadwallender
		218-224	The Breeding Bird Survey, Report No. 4; 2003-2005	Tom and Muriel Cadwallender
		225-228	Movements and foraging habits of Gulls in Northumberland	Andy Baxter
		229-234	Rare birds in Northumberland	Andy Mould
		235-236	A saga of a disappearing Masked Shrike	Michael Bayldon
		237-248	Historical bird notes from Seaton Sluice-Tynemouth	Peter Tapsell
2004	265	219-223	Iberian Chiffchaff – the first record for Northumberland	Jimmy Steele
		223-225	The Honey Buzzard Review	County Records Committee
		225-229	Who gives a Duck	Jon Coleman and Andy Rickeard

		229-240	Non-breeding Coot numbers in Northumberland 1970-2005	Steve Holliday
		241-249	Additions to the County list – past and future	Graeme Bowman
		249-251	The birds of Blyth: a community survey	Susan Gebbels
		251-253	Birding Sites XIV – Wallsend Swallow Pond	Simon Parnaby
2003	245	200-202	The Icelandic-breeding Goose census in Northumberland - 2003	Roger Norman
		203-204	Breeding Woodcock Survey 2003	Tom and Muriel Cadwallender
		204-211	BTO/JNCC Winter farmland bird survey (WFBS) 1999-2003	Tom and Muriel Cadwallender
		211-215	Problems with recording Yellow-legged Gulls in Northumberland	County Records Committee
		215-218	An unusual Pipit at St Mary's	County Records Committee
		218-221	Habit[at] preference and population distribution of Warblers in Cramlington in 2003	Lindsay McDougall, Steve Holliday and Dee McKeown
		221-227	'In off the sea': visible migration at Budle Point	Chris Knox
		227-228	Studies on the Eastern Olivaceous Warbler in Northwestern Bulgaria	Anton Antonov
		229-231	Birding Sites XII: Druridge Pools	Stewart Sexton
		231-234	Birding Sites XIII: Big Waters	Graeme Bowman
2002	268	204-206	Greenland White-fronted Geese wintering at Grindon Lough	Michael Frankis
		207-208	Northumberland's first Greenland White-fronted Geese	Michael Frankis
		208-213	Ringling at island seabird colonies in the North-east – ringling projects and recoveries in 2002	Chris Redfern
		214-216	Reed Warblers at Gosforth Park – trends and recoveries 1998-2002	Chris Redfern and Ian Davidson
		217-221	The Breeding Bird Survey, Report No. 3; 2000-2002	Tom and Muriel Cadwallender
		222-226	Breeding waders of wet meadows in Northumberland 2002	Tom and Muriel Cadwallender
		226-233	The 2002 Mute Swan census in Northumberland	Jon Coleman, Andy Rickeard and Paul Rickeard
		234-237	Roseate Tern numbers at St Mary's Island in 2002	Nick Dales
		237-240	The origin of an unusual number of Great Spotted Woodpeckers that occurred in coastal areas of Northumberland during the autumn of 2002	Bryan Galloway
		240-249	Great Black-backed Gulls in the mouths of the Rivers Tyne and Blyth 2001-2002	Daniel M. Turner
		250-251	Two unusual nests [Re Jackdaw & Black-headed Gull]	Lindsay McDougall
		251-253	Wilson's Petrel, an addition to the county list	Martin S. Kitching

		253-254	'Big day' county bird racing in Northumberland	Maurice Hepple
		254-258	Birding Sites XI – Budle Bay	Chris Knox
2001	200	148-149	Post breeding Ringed Plovers in Northumberland	Steve Holliday and Les Robson
		149-153	The Tyne estuary: changes in wintering birds, 1995-2002	Roger Norman
		153-159	The decline of Coots at Big Waters	Graeme Bowman
		159-169	Herring Gulls in the mouth of the River Tyne 1999-2001	Daniel M. Turner
		169-172	Return of the Honey Buzzard	Nick Rossiter
		172-175	Red Squirrel, Large Pine Weevil and Natterer's Bat in Long-eared Owl Diets	Steve Holliday and Martin Davison
		176-177	Little Auks - 2001 in perspective	Ian Fisher
		177-183	Slender-billed Curlew, an addition to the county list	Tim Cleeves
		183-184	Spotted Sandpiper, an addition to the county list	Terry Mitcham
		184-186	Pallid Swift, an addition to the county list	Mike Carr
		186-189	Birding Sites IX – Seaton Sluice	Maurice Hepple
		189-190	Birding Sites X – The South Tyne: Haltwhistle-Eals	Nick Rossiter
2000	183	145	International Whooper and Bewick's Swan Census	Roger Norman
		146-147	Naturalised Goose Survey 2000	Roger Norman
		147-148	Surveys 2000	Tom and Muriel Cadwallender
		149-152	Seasonal variation in numbers of immature Great Black-backed Gulls in the mouths of the Rivers Tyne and Blyth during 1999 and 2000	Daniel M. Turner
		153-155	Seasonal variations in Great Black-backed Gull numbers	Nicholas Rossiter
		156-157	A problematic Gull: Yellow-legged Baltic Herring or Caspian	Nicholas Rossiter
		157-160	A review of the status of Roseate Tern in Northumberland	Tom Cadwallender
		161-168	Breeding success of Pied Flycatchers in south west Northumberland	Mike J. Carr
		169-170	Isabelline Shrike – an addition to the county list	Nick Dales
		170-172	Birding Sites VII – Castron Nature Reserve	Michael Richardson
		172-174	Birding Sites VIII – Hauxley	Ian Fisher
1999	176	142-148	The Breeding Bird Survey, Report No. 2	Tom and Muriel Cadwallender
		149-154	Breeding Corn Bunting Survey 1999	Tom and Muriel Cadwallender

		155-158	Long-eared Owl diets in south east Northumberland	Steve Holliday
		159-160	Calandra Lark, a new species for the county	Stephen Duffield
		161-162	Lesser Scaup, an addition to the county list	Mike Sharp
		163-164	Black-faced Bunting, the first for Northumberland and second for Britain	Jimmy Steele
		165-166	'Black Brant' an addition to the county list	Matthew Denny
		167	Bearded Tit, a new breeding species for Northumberland	Ian Fisher
		167-170	Birding Sites V – Jesmond Dene	Michael Frankis
		170-171	Birding Sites VI – Tynemouth	Colin Bradshaw
1998	153	126-129	Breeding Lapwing Survey 1998	Tom and Muriel Cadwallender
		129-132	BTO survey of breeding Skylarks 1997 and wintering Skylarks 1997/98	Tom and Muriel Cadwallender
		133	Baird's Sandpiper, Northumberland's long awaited second record	Derek West
		134-135	Black Stork, the second Northumberland record	Tim Cleeves
		135-137	Bonaparte's Gull, the second record for the county	Dan Turner
		137-139	'Eastern type' Lesser Whitethroat	Mike Carr
		140-141	Birding Sites III – Marden Quarry	Alan Curry
		142-144	Birding Sites IV – Newton by the Sea	Robin Harvey
		145-148	Seasonal variations inland in Black-headed Gull numbers	Nicholas Rossiter
1997	141	121-125	The historical status of the Honey Buzzard in Northumberland	Nicholas Rossiter
		126-129	The Sawbill survey 1997	Tom and Muriel Cadwallender
		130-132	Birding Sites I – Newbiggin	J. G. Steele
		132-134	Birding Sites II – Arcot Pond, diversity on the urban fringe	Lindsay McDougall
		134-135	Desert Wheatear, an addition to the county list	Steven Bloomfield
1996	140	116-119	The breeding bird survey	Tom and Muriel Cadwallender
		120-126	Rooks in Northumberland 1996	Tom and Muriel Cadwallender
		126-127	Soft-plumaged Petrel, an addition to the county list	Andy J. Booth
		128-129	Yellow-billed Cuckoo, an addition to the county list	Andy McLevy
		130-131	Eastern Bonelli's Warbler, an addition to the county list	Alan Jack
		131-132	River Warbler, an addition to the county list	Raymond Craig and Roger Forster

		133-136	Seasonal variations in Lesser Black-backed Gull numbers	Nicholas Rossiter
1995	128	111-114	Rough-legged Buzzards in 1994-95	Mike Henry
		114-117	The effect of wind turbines on bird populations in Blyth harbour	Brian Little
		117-118	Red-necked Stint, an addition to the county list	Graeme Bowman
		118-119	Red-flanked Bluetail on Holy Island	Tariq Farooqi
		119-124	The status of the Hawfinch in Northumberland	Michael Frankis
		124-127	Seasonal variations in Common Gull numbers	Nicholas Rossiter
1994	103	96-97	White-tailed Eagle at Rayburn Lake	Andrew McLevy
		98-99	Letters from our ornithological past [Abel Chapman and George Bolam]	Ian Kerr
		100-102	Food caching by juvenile Merlin	Ian Kerr and Bryan Galloway
		102-103	Tengmalm's Owl in Kielder Forest	Rob Williams
1993	112	95-100	Recoveries and controls from Siskins caught in Northumbria	David Jardine, Peter Cosgrove, Michael Holmes and Sandy Bankier
		100-102	Green Sandpipers in Northumberland	Sandy Bankier
		102-103	Records of a Russian-type Herring Gull from 1991-1993	Nick Rossiter, Andy Booth, Mike Carr, Sandy Bankier, Ian Fisher and Steve Votier
		104-109	North-east England regional water bird survey – the January blitz	Anne Westerberg
1992	104	96-98	The Nightjar breeding survey 1992	Tom Cadwallender and Colin Jewitt
		99-101	Breeding survey of Shelduck in Northumbria 1992	Mike S. Hodgson
		101-102	Pied-billed Grebe at Druridge Pools [new species for the county]	Ian Fisher
		102-103	Semipalmated Sandpiper on the Farne Islands [new species for the county]	Peter Bush
		103-104	Swinhoe's Storm-Petrels at Tynemouth [new species for the county]	Mark Cubitt
1991	96	92-93	The 1991 Peregrine breeding survey	Ian Kerr
		94-95	Pacific Golden Plover at Druridge Pools [new species for the county]	James Steele
		95-96	Male Pine Bunting at Bamburgh [new species for the county]	Michael S. Hodgson
		96	Ruddy Duck – first breeding records for the county	Lindsay McDougall

1990	108	96-98	Great Reed Warblers at Castron and Big Waters [new species for the county]	John Steele and Alan Johnston
		98-99	Booted Warbler on the Farne Islands [new species for the county]	Gordon Allison
		100-102	The Mute Swan breeding survey 1990	Jon Coleman
		103-106	1990 – the year of the Crossbill	David Jardine
1989	88	83	Unusual nest of the Dipper	E.J. Steele
		84-86	Quail in Northumbria 1989	M.S. Hodgson
1988	96	88	Fieldfares breeding in Northumberland	B.N. Rossiter
		89-90	Bridled Tern – a new species in the county	N.A. Gartshore
		91-94	The Merlin in winter in Northumberland	Ian Kerr
		95-96	Red-eyed Vireo – a new species in the county	D. Short
1987	98	89-91	Survey of breeding Lapwings and other waders, 1987	B.N. Rossiter
		92-93	Olive-backed Pipit, a new species in the county	M.P. Frankis
		94-97	The Fulmar in Northumbria	M.I. Thomas
		98	Trumpeter Finch, a new species in the county	R.K. Stephenson
1986	101	85-89	Breeding survey of Little Grebes in Northumbria 1986	A.J. Johnston
		90	Little Shearwater – a new species in the county	K.D. Shaw
		91-93	Dispersal of small raptors from Northumberland nest sites	B. Galloway
		94-95	Aggression to intruders at a Peregrine site	T.M. Melling
		96	Pallas's Grasshopper Warbler, a new species in the county	B. Galloway
		97-101	The Green Woodpecker survey in Northumbria 1986	Nick Rossiter
1985	89	83-85	The Wood Warbler in Northumbria	J.M. Macfarlane
		85-88	Autumn influx of Pomarine Skuas	Ian Kerr
		88-89	Lesser Crested Tern at the Farne Islands	M.S. Hodgson
1984	89	83-85	The Mute Swan breeding survey	J.M. Macfarlane and B.N. Rossiter
		86	Lanceolated Warbler – a new species for the county	M. Carruthers
1983	82	-	None	-
1982	73	-	None	-

1981	100	90-93	Nightjar survey 1981	L.G. Macfarlane
		94-97	Some notes on a possible Brown Shrike (<i>Lanius cristatus</i>) at Tynemouth in October, 1981	K.G. Dures
1980	101	-	None	-
1979	117	106-114	Notes on the breeding biology of Little Terns in Northumberland	C.J Edwards and D.L. Woodfall
1978	116	92-109	Breeding biology of the Sparrowhawk in Kielder Forest 1975-1978 [Also published separately as Tyneside Bird Club Occasional report No. 2]	S.J. Petty
		110-113	A survey of breeding and non-breeding Mute Swans in Northumberland and part of Tyne and Wear, 1978	L.G. Macfarlane
1977	118	102-115	A breeding survey of Oystercatchers in Northumberland and part of Tyne and Wear during 1977 [Also published separately as Tyneside Bird Club Occasional report No. 1]	L.G. Macfarlane
